

TEAM EXPERIENCE

Your team trains where Spain's professional academies train. One week that changes how your players see the game.

TRAINING AT THE FACILITIES OF

REAL SPORTING DE GIJÓN

Always Up brings clubs and academies from around the world to Spain to train inside **Atlético de Madrid, Real Sociedad and Real Sporting de Gijón** — official coaches, real academy facilities, matches against academy sides. Not a tour: a programme built around your team's level, dates and objectives.

Why teams choose Always Up

Real access

Your players train in the same facilities and with the same methodology as the clubs' own academy teams.

Official club coaches

Sessions led by Academy coaches who work with your group by age stage, in your language.

Everything handled

One point of contact. Residence, meals, transfers, matches and schedule — your staff only thinks about football.

What your team lives

- **Daily training with Academy coaches**, adapted to your age stage (U7 to U19 and amateur).
- **Friendly matches** against Academy teams and local sides, with official referees and matched to your level (minimum 2 in a 5-day stay).
- **Formative sessions** on methodology, nutrition and player psychology.
- **Stadium and club museum visit**, plus first-team and academy match viewing when the calendar allows.
- **Full-board accommodation** in the club residence or a hotel next to the facilities, with all transfers in authorised buses.
- **Optional international tournaments**: DonostiCup and MadCup, with teams from 30+ countries, fully managed for you.
