

TEAM & COACH EXPERIENCE

Train with Atlético de Madrid, Real Sociedad & Sporting de Gijón

Always Up brings international youth clubs, academies and coaching staff to Spain to train directly at the facilities of three professional LaLiga clubs — not a generic academy, real access to their methodology, coaches and environment.

What's included

- Training sessions led by official club academy coaches
- Friendly matches against academy teams at your group's level
- Full-board accommodation and all local logistics
- Stadium and museum tour
- Tactical and methodology workshops for coaching staff
- Full support from arrival to departure — one point of contact throughout

A real result

“No doubt our Atlético de Madrid Experience helped us win our league title... it gives players the belief they are special.”

— Long-term partner club, Ireland, after 3 years training with Always Up
