

USA Scholarship Pathway

Prepared for Example Family (Gabriel and Rafael)

Date	2 October 2026
Valid until	30 days from the date above
Prepared by	Joel Martinez, Always Up

Your objective

Example text: your sons, born in 2009 and finishing high school this year, want to start a US university in August 2027 combining football and studies, with the best scholarship their profile allows.

What we propose

A full scholarship pathway process for each player, starting with an evaluation of the video and academic record, so we can tell you honestly which levels and programmes are realistic before going further.

Players	2 (twins), left back and midfielder
Target start	August 2027
Current level	Club academy in Monterrey, regular starters
First step	Video + academic transcript evaluation

What is included

- Athletic evaluation of the player's profile and video
- Personalised athletic resume
- Direct communication with college and high-school coaches matched to the player's profile
- Management of academic and administrative requirements
- Visa and admission support
- Identification of scholarship opportunities that fit the player's level, academics and budget

Not included

- Tuition, accommodation and living costs at the US institution (they depend on the scholarship obtained)
- Flights and visa fees
- Language and admission exam fees

Investment

Item	Detail	Amount
Scholarship pathway service	Per player - to be confirmed after the evaluation	\$0

Illustrative example. Price shown per player once the evaluation confirms the pathway.

Payment: Agreed in writing before starting the process.

How it works from here

**1 Evaluation**

We review video, level and academic record.

2 Profile

We build the athletic resume and target list.

3 Coach contact

We communicate directly with coaches.

4 Offers & admission

We support the decision, admission and visa.

Conditions

- No scholarship, placement or admission is guaranteed: the outcome depends on the player's level, academic record and coaches' interest.

Next step: Send us each player's latest video and academic record this week; we will return the first evaluation within 5 working days.

Any question before then, just reply to this message. **Joel Martinez** · Always Up · joel.martinez@alwaysup.es · +1 (814) 329 1929
