How it works from here

1 Due diligence

Company, venue and child-protection documentation reviewed by the club.

2 Approval & contract

The Academy and its Compliance department approve; contract and 50% payment.

3 Promotion

Registrations open with club-approved material; kit order 45+ days before.

4 Camp

Final payment before the start; the club's coaches run the camp.

Conditions

- The project is subject to the approval of the club's Academy management and Compliance department.
- All promotional material must be approved by the club before publication.
- The camp is promoted as a formative and recreational programme, never as an access route to the Academy.

Next step: Send us the information in section 4 of the project document by 16 October 2026 so we can present the project to the Academy.
