

COACH EXPERIENCE

See how professional LaLiga academies build players — from the inside. Observe, learn and take it back to your club.

OBSERVING INSIDE THE ACADEMIES OF

A professional programme for coaches and technical staff: watch official academy sessions, attend masterclasses with the clubs' own departments and understand the methodology behind Atlético de Madrid, Real Sociedad and Real Sporting. Duration and content are tailored to your staff.

Technical staff | Academy directors | Pre-season planning | Coach education

What your staff gets

- **Observation of professional training sessions** of the academies across age groups, always accompanied by a club representative who speaks your language.
- **Masterclasses with the club's departments:** methodology, physical preparation, individual development, game analysis, club values, scouting, goalkeeping, psychology and nutrition.
- **High-performance exposure:** sessions of the academy's top age groups and, depending on the calendar, first-team or second-team sessions.
- **Match viewing:** an academy match and, when dates coincide, a LaLiga or European first-team match.
- **Stadium and museum tour** to see how the club works beyond the pitch.
- **Full logistics:** accommodation, meals, private transport and assistance in your language throughout.
- **Network and certificate:** direct contact with academy staff and coaches from other countries; certificate of participation.

> **Two clubs, one trip.** Combine San Sebastián (Real Sociedad) and Madrid (Atlético de Madrid) in a single week: masterclasses and training observation at Zubieta, followed by a Madrid extension with academy and first-team matches.
